There are, however, a few easy things you can do to minimise the risk. First off, as mentioned above, don’t tell your kid the password to their Roblox account. The reason behind this is the ‘free Robux’ scams that proliferate the internet. These sites get your details by disguising themselves as sites that look like an official Roblox page and encourage people to log into their Roblox account via their page to claim ‘free Robux’. If you do this you have just given the scammers all of the information they need to take over the account and clear it out. No matter how tempting these sites are you need to know that there is NO SUCH THING AS FREE ROBUX. Only purchase Robux using the methods mentioned before.

Therefore, using a Roblox account generator isn’t worth the risk. They can be unreliable and dangerous, and could get your account shut down.
